Re: Six Tables Restaurant and Romain Roland Levi

Dear Ms. Gluntz:

This letter serves as an update to previous letters we have written regarding the progress of obtain Lawful Permanent Residence for Roland Levi. As we have previously discussed over the telephone, this firm represents Romain Roland Levi with regard to solving his immigration status. Mr. Levi came to this country in 1974 pursuant to a non-immigrant visa issued by the United States Department of State. He has been married to Gail Levi, a United States citizen since October 31, 1997. He has previously attempted to gain permanent residence in this country, but has been frustrated by a combination of federal government inaction, inattentive attorneys and the loss of his original passport and entry document (form I-94). As he entered this country legally, and is currently married to a United States citizen, he is eligible to adjust status immediately to that of a Lawful Permanent Resident or "Green Card" holder.

We have now completed the forms necessary to file for adjustment of status for Mr. Levi and anticipate filing these documents in the next few weeks.

This process, which includes filing with the United States Citizenship and Immigration Service (U.S.C.I.S.) for a replacement entry document I-94, a Petition for Alien Relative by Gail Levi for Romain Roland Levi, and an Application for Lawful Permanent Residence by Mr. Levi.

Now that we have completed the documents necessary to file, this process should now take approximately six months to complete. At that time, and in fact, for all intents and purposes, upon submission of the Petition, Mr. Levi will be in legal status in the United States. The Social Security number that he now possesses will remain his Social Security number once he obtains his Permanent Residence.

As Mr. Levi has no criminal record, and has been married to Gail Levi for many years, we anticipate absolutely no problem with the Petitions and Applications we are filing with U.S.C.I.S. There is no doubt that Mr. Levi will be a Permanent Resident and in three years following the receipt of his Permanent Residence, be able to apply to be a citizen of the United States.

We appreciate the city's patience on the resolution of the immigration issues. At times, particularly with foreign bureaucracies, it takes an extended period of time to obtain certified documents. If you have any questions whatsoever regarding this process, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very Truly Yours,
